## Long Grove Confectionery Co.

— a division of Arway Confections, Inc. —

*handcrafted chocolates  
made in the USA!*

Our original candy kitchen, a nostalgic replica of a red schoolhouse, opened in 1975 in the picturesque village of Long Grove, IL. We quickly outgrew the premises due to the popularity of the delicious candy and the magic of watching it being made.

Today the schoolhouse is still home to our vibrant retail store but production has moved to a beautiful state-of-the-art facility in nearby Buffalo Grove. We've expanded our product line, opened a large outlet store and created the famous Chocolate Factory Tour. We invite you to come see the dazzling array of products, smell the sweet buttery caramel and taste the rich chocolate.

Long Grove Confectionery is a leader in the candy industry, known for our quality products, attention to detail and creative packaging. The factory tour includes a video presentation, a view of production (that all can see whether you're small or tall) and the opportunity to shop in our store filled with luscious, premium quality chocolates at refreshingly low prices. It's a perfect tour for kids from 5 to 105!

Visit us at: [www.longgrove.com](http://www.longgrove.com) & 

*Experience how our handmade, gourmet chocolates  
are produced and packaged.*

*Make a day of it . . .*

*After enjoying a tour of the Chocolate Factory in Buffalo Grove, take a short drive to historic Long Grove Village (at Rts. 83 & 53) and visit our original store where we still hand-dip our famous chocolate covered strawberries. Shop the quaint and friendly stores of Long Grove & relax over a leisurely meal at one of the many fine restaurants in the village.*
